

Online Summer Courses 2021

Building on last year's success, we are delighted to offer intensive 3-week online teacher development programmes, on our brand new eLearning platform, delivered in July 2021.

The NILE Online Summer Courses will be led by the same great NILE tutoring team, contain the same learning outcomes and interaction opportunities as our face-to-face programmes, with NILE materials and resources and a choice of certification levels.

Courses will consist of 15 hours per week plus 5 hours extra-curricular social and professional interaction, with a mixture of live and asynchronous sessions to allow you to interact with your tutor and fellow participants as well as accessing most of the materials at a time of your own choosing.

A complementary English language development course is also included in the programme.

NILE is also offering the opportunity to work towards the **Trinity Certificate for Practising Teachers (CertPT)** as part of our online provision.

Trainers

NILE's highly experienced trainers are experts, not only in their fields, but also in working with teachers for continuing professional development. Read more about NILE's trainers, their experience and interests at [The NILE Team](#) on the [NILE website](#).

Teaching approaches

- We make courses practical and 'hands-on', with reference to relevant theory
- Our courses are participant-centred and collaborative, designed to build knowledge and confidence
- We use activities and tasks to help you apply the course content to your setting
- Courses are broken down into individual units and activities, forming a clear structure.
- Tasks are interactive, involving live online sessions, forums and community walls, and utilise a range of multimedia including images, audio files and videos.

Certification

The NILE Online Summer Courses are certified on three levels:

- NILE Participation Certificate - requires a minimum of 80% course participation
- NILE Certification - awarded upon successfully completing a 4-week assignment to be marked by your tutor
- The Trinity Certificate for Practising Teachers (CertPT) - awarded upon completing an 8-week assignment fulfilling the skills and knowledge descriptors as set out by Trinity College London.

Each course has a maximum of 16 participants and consists of 8 units, each introduced and completed over two days, Monday to Friday, with an optional 4-week or 8-week assignment. Course-specific content descriptions are available on the NILE website.

Time will be built into the course for reflection, to consider how to adapt the content to your own professional context. We then support you in creating a strategy for putting your ideas into practice in your institution.

The English language development course for your individual CEFR level (B1 - C2) can be completed through the learning platform Macmillan English Campus. You can access this during your course with us or anytime until the end of September.

* also available as MA Modules: see the NILE website for more

Schedule

Each course consists of 45 hours’ tuition over three weeks, plus 5 hours of social and professional interaction. Each unit requires approximately 3 hours work per day. Live sessions will be held at a time agreed with participants, and recorded for those who cannot attend. Detailed unit-by-unit descriptions of each course are available on the NILE website.
