

## Language Teaching Methodology Courses

These are highly practical training programmes which cover a broad span of teaching ideas and activities to enliven lessons and make them more motivating. These courses are for language teachers who need new ideas to refresh their methods, approaches and techniques.

### Teaching Skills and Language

This is a course for teachers of languages. On this course, you will consider the four language skills: speaking, writing, reading and listening and the language systems of grammar and vocabulary. The course will address problems learners might have with learning about or using the skills and systems; and how you can help your learners with these problems and teach more effectively. Participants should have a minimum English language level corresponding to B1 on the CEFR.

## Global Citizenship in Language Teaching

This course links critical theory with everyday classroom practice. The course will develop your teaching ability to facilitate rich, engaging dialogue with students on a range of contemporary social issues. You will also get hands-on experience in selecting teaching materials that foster criticality and empower all learners to become more engaged global citizens.

Participants should have a minimum English language level corresponding to B2 on the CEFR.
