

## Funding opportunities for CELTA with South West Councils

For certain CELTA courses, funding is available through South West Councils for CELTA candidates living in the South West of England who have the right to work in the UK. The South West of England is defined as Devon, Gloucestershire, Cornwall, Somerset, Dorset, Wiltshire and Bristol. The funding covers the total cost of the course, including all fees listed on NILE's website.

Funded candidates are expected to seek job opportunities in the region once they have completed the course, and must agree to this as part of the funding application process.

As well as the above expectation and the location requirement, candidates must meet all other CELTA entry criteria as set out on NILE's website to be eligible for the funding. International candidates must have English language level CEFR C1/ Level 2 / IELTS 6.5+.

Please complete the [expression of interest form](#) to start the application process. For full terms and conditions and other queries, please contact NILE Assistant Registrar Anthony Cooper at [delta.admin@nile-elt.com](mailto:delta.admin@nile-elt.com).
